This Reserve is available for future expenses that may arise in conjunction with the Associations mission to address issues outside the gates of the Venetian Golf and River Club that could impact Venetian residents’ quality of life. The VGRCCA is actively engaged in a broad range of issues involving governmental bodies, zoning, land development and business activities. Such future expenses could include traffic studies, legal fees and other expenditures related to the Association’s mission. The Board of Directors continuously evaluates the reserve level given the significant growth in housing development and commercial space in our immediate vicinity.
